SELF-CONTAINED REAR DECK Linear Super-LED® STRADDLES THIRD BRAKE LIGHT FOR CROWN VICTORIA 2005-2008

TLNCV5JJ split color for mounting
around 3rd brake light

This low profile, lightweight warning light packs full-size Linear Super-LED power that rivals strobe in intensity! Now you can have serious warning protection without altering brake light visibility in a package that's easy to mount or transfer from vehicle to vehicle.

TLNCV5RB shown bracket mounted around
3rd brake light in rear deck.

Same mount shown from inside the vehicle.

Whelen Engineering reserves the right to
upgrade and improve products without notice.

FEATURES

- Includes two Linear-LED modules.
- Lightweight but sturdy, rated for 100,000 hours of operation.
- Polycarbonate assembly is safer in vehicle in the event of an accident or airbag deployment.
- Straddles 3rd brake light with two Linear LED lightheads in molded polycarbonate housing for 2005-2008 Ford Crown Victoria.
- External low power control.
- 14 Scan-Lock™ flash patterns with simultaneous, alternating and cycle flash patterns featuring SignalAlert Freedom, CometFlash®, DoubleFlash and SingleFlash, with SteadyFlash and Steady-Burn (3 Phases per pattern).
- Supplied with 4 wire pigtail.
